Day 4 / (14.06.21)

Absheron Tour (120 km)

- Breakfast.
- 10:00 after breakfast the sightseeing tour starts, which includes a visit to Gobustan historical reserve.
- Archaeological research, conducted in Azerbaijan for many decades, has revealed interesting places and artifacts that helped to study the history of the origin, formation and development of the ancient people in the country. One of these places is Gobustan reserve, where you can see rock paintings and burial mounds dating back to X-VIII millennium BC. The rock paintings of men and women, animals, birds and hunting scenes have well preserved in Gobustan.
- For additional price it is possible to arrange the lunch in local restaurant.
- Excursion to the Temple of Fire Worshipers - "Ateshgah"
- Azerbaijan is one of the few places on earth, where even today one can observe elements of preserved fire cult and the ancient Zoroastrianism religion. These places where oil oozes from the earth, and natural gas breaks out like flaming torches have always attracted fire worshipers from around the world. Baku, its oil, its "burning earth" have been known far beyond its borders since ancient times. The official religion of the ancient states that emerged in the VII century BC, such as Mann and Midia was Zoroastrianism. The spread of Zoroastrianism in the territory of the modern Azerbaijan was due to spontaneously flammable sources of oil and gas. Therefore, in this area such a monument as the temple Ateshgah has survived. Then guests will go to Yanardag.
- For additional price it is possible to arrange the dinner in the local restaurant.
- Return Back to Hotel
- Overnight

Day 5 / (15.06.21)

Baku Tour (25 km)

- Breakfast.
- Our stop will be to Carpet Museum.
- Azerbaijan is the real homeland of Caucasian carpets, that is why almost every region of the country is famous for its special type of ornamentation and even the approach to weaving. You can observe the creation of these masterpieces in special workshops and private studios in all corners of the country, but our excursion will begin with a visit to one of the largest centers of carpet weaving in the capital, Azer-Ilme, where you can not only learn about the history of the Azerbaijani carpet, but also attend the master class, and take part in the manufacturing process. The carpet museum, which will complete the tour, is not only the hearth of the history of Azerbaijan on carpets, but also an architectural artwork. The museum building is made in the form of a rolled carpet. Therefore, it is worth visiting not only for its valuable content, but also for visually appreciating this architectural finding.
- Our today's tour ended with a visit from outside of the Center named after Heydar Aliyev.
- Heydar Aliyev Center - a cultural center, is a complex structure that includes the Auditorium (convention center), a museum, exhibition halls, administrative offices. The project center has been designed by renowned architect Zaha Hadid.
